MOHAMMED SHAIR

Aspiring Web Developer Intern

📞 8884714023   ✉ mohammedshair04@gmail.com   📍 Kota,karnataka,India

ABOUT ME

Aspiring Web Developer skilled in crafting scalable, responsive web applications using industry-best practices. Passionate about backend logic, clean code, and collaborating to build impactful digital solutions. Adept at learning new technologies, with a keen interest in contributing to innovative projects in fast-paced environments

EDUCATION

- **NMAM Institute of Technology (NMAMIT), Nitte**
- **B.Tech in Artificial Intelligence & Machine Learning**
- **Expected Graduation: 2028**

- **Sri Venkatramana PU College (SVPUC), Kundapur**
- **PUC – Science (PCMC)**
- **Completed: 2024**

- **Viveka English Medium High School, Kota**
- **SSLC / 10th Standard**
- **Completed: 2022**

LICENSES & CERTIFICATIONS

- **Foundations of AI and Machine Learning – Microsoft (Issued Jun 2025)**
- **Programming for Everybody (Getting Started with Python) – University of Michigan (Issued Apr 2025)**
- **IBM SkillsBuild Course – IBM (Issued Feb 2025)**
- **Google Introduction to Generative AI – Google (Issued Aug 2024)**
- **Google Introduction to Large Language Models – Google (Issued Aug 2024)**
- **Google Introduction to Responsible AI – Google (Issued Aug 2024)**

PROJECTS

Drivify – Industrial Training Project

 • **Gained hands-on experience in developing a fully functional, responsive web application from concept to deployment.**

 • **Worked with HTML, CSS, JavaScript, VS Code, and GitHub for design, logic building, and collaboration.**

 • **Learned the importance of teamwork, structured collaboration, and effective communication during task division.**

 • **Overcame challenges in manual data collection due to limited APIs, enhancing problem-solving and data accuracy skills.**

 • **Identified areas for growth: scalable architecture, UI accessibility, backend integration, and database technologies.**

 • **Improved technical expertise, industry readiness, and professional conduct through the project.**

SKILLS

Programming: C, C++, Java, Python, JavaScript

Web Development: HTML, CSS, React.js, Node.js (Basics), Responsive Web Design

Tools & Platforms: VS Code, Git & GitHub, Firebase

Soft Skills: Problem-Solving, Team Collaboration, Communication, Adaptability

Creative: Video Editing (CapCut, VN), Content Creation
